temos consciência que a vida de hoje em dia está repleta de tensões e de stress.

Tudo o que ajude a relaxar, a reduzir o stress e a tensão e que produza bem - estar, deve ser considerado como benéfico.

As propriedades curativas da água, eram já conhecidas pelos antigos gregos e romanos e atualmente têm sido redescobertas como uma terapia natural para relaxar tanto o corpo como a mente e para aliviar muitas doenças como a insuficiência sanguínea, a artrose, traumatologias de ordem óssea, muscular ou de ligamentos, stress, celulite e outras.

A gama de produtos ASD inclui modelos e desenhos que se adaptam a todas as necessidades.

Todos os produtos são fabricados com matéria prima da melhor qualidade e estão disponíveis numa variada gama de modelos para satisfazer todos os gostos e decoração.

we are conscious of stressful is today's life.

Everything able to reduce stress and tension, producing well-being, should be considered as a benefit.

The healing properties of water were largely known by the ancient greek and roman cultures, and are nowadays being rediscovered as a natural therapy, relaxing body and mind and relieving many diseases such as blood insufficiency, degenerative osteoarthritis, muscular, ligaments and bones traumatology, as well stress handling, cellulite reduction, and other.

ASD's products includes models and designs which are easily adapted to all sorts of needs.

All products are manufactured using top quality materials, and are available in a varied range of models to satisfy all tastes and decorations.

nous sommes conscients de la vie stressante d'aujourd'hui.

Tout ce qui aide à se détendre, réduire le stress et les tensions et produit le bien - être, doit être considérée comme bénéfique.

Les propriétés curatives de l'eau ont été largement connue par les cultures antiques grecs et romains, et sont aujourd'hui d'être redécouverte comme une thérapie naturelle pour détendre le corps et l'esprit et soulager de nombreuses maladies comme l'insuffisance artérielle, l'arthrose, le traumatisme d' musculé, des ligaments et des os, le stress, la réduction de la cellulite, et autres.

Produits ASD comprennent des modèles et des conceptions qui sont facilement adaptables à toutes sortes de besoins.

Tous les produits sont fabriqués en utilisant des matériaux de la meilleure qualité et sont disponibles dans une gamme variée de modèles pour satisfaire tous les goûts et décorations.
